Hospital Contact: Lindsay Donahue, Hospital Administrator, lindsayd@sumnervet.com

Media Contact: Nichol Phillips, Marketing Manager, nicholp@sumnervet.com

Phone: 253-863-2258

To the Sumner Community:

As of December 31st 2020, Sumner Veterinary Hospital will be closing It's A Dog's World training facility.

We have very much enjoyed and appreciated all of the students and their owners that have come through our training facility over the years.

Should you need classes for puppy training or private lessons, please reach out to Argus Ranch for your training needs. www.argusranch.com

Since 1983 Sumner Veterinary Hospital has been providing top notch care to all the pets that come through our door and over the next few months, you will see some changes happening throughout our facility that will prepare us for future growth.

These changes will not impact our business operations. We will continue to provide 24-hour hospitalization and top notch care for your pets.

Thank you,

Sumner Veterinary Hospital
