**\*LOC = LEVEL OF CARE**

**STANDARD**

This \*LOC comes with everything needed to maintain the health of your pets while in our facility. This means four elimination walks a day, fresh water at all times, bedding changed daily and fed as per your instruction.

**DELUXE**

This \*LOC comes with the addition of one 15-minute individual playtime daily or 30 minutes of group play. Four elimination breaks, water at all times, fresh bedding daily and fed per your instruction.

**PAMPERED**

This \*LOC comes with the addition of two 15-minute individual playtimes or 60 minutes of group playtime. Four elimination breaks, water at all times, fresh bedding daily and fed per your instruction.

**PUPPY/KITTEN (UNDER 6 MONTHS)**

This \*LOC comes with all the social interaction and plenty of activity that puppies need! This includes two 15-minute playtimes a day adding up to 30-minutes of puppy play with other puppies or individual plays with our technicians. The daycare screen is free! This also includes four to six elimination breaks, water at all times, fresh bedding daily and fed per your instruction. Kitten Care takes place in the cattery.

**ELDERLY CARE**

This \*LOC comes with the addition of two 15-minute playtimes or comfort times. Medication/supplement administration, six elimination breaks, water at all times, fresh bedding daily and fed per your instruction. Generally, Elder care is for pets 8 years and up. Elder lodging is a private room with a quiet environment for up to six individual lodging guest with a shared television and the option to upgrade to an orthopedic bed (\$10 additional to rent).

**LUXURY SUITES**

All Suites come with a private room, quiet environment, orthopedic bedding, a cozy blanket, non-slip matt, in room television, daily housekeeping, room service options, private elimination yard used only by suite guest. Medication/supplement administration, six elimination breaks, water at all times, fresh bedding daily and fed per your instruction.

Please ensure you bring your pet's food, already portioned per meal and per day. Alternatively, you can opt for the hospital diet for your pet, available in the [Kirkland Signature Brand] at a cost of \$4.50 per meal.

*For Deluxe and Pampered, we can arrange to have your dog screened for group play (30 minutes per play) in our Daycare portion of pet services. The cost for a Daycare screen during lodging is \$55 (normally \$60 without lodging). For more information on Daycare screenings with lodging, do not hesitate to ask.*

**FEEL CONFIDENT WITH PERSONALIZED CARE**

When deciding on a temporary home for your cherished furry companion while you're away, Sumner Veterinary Hospital is the ultimate choice! Our prime facility, tailored care, and serene ambiance establish us as the preferred lodging option for pet owners. We aim to create an environment that feels like a second home for your pet. Whether your travel plans span a few days, weeks, or even months, consider boarding your pet with us. Rest assured, your peace of mind will be intact, knowing that your beloved companion is receiving attentive care in a safe and secure environment.
